The Meaning Of Soul

Oasis

```
G    E    G    E    G    E

I gotta show you, man
G           E
The Meaning Of Soul
G               E
I'm taking on love tonight
G               E
Get out of my way, yeah man
G               E
I dig what you say
G                 E
But that ain't enough, alright

G                 E
I'm a different breed
G                   E
I'm outta your league
G                   E
I'm 10 out of 10, alright

G                 E
Get out of my way, yeah man
G               E
I dig what you say
G                 E
But that ain't enough, alright

G                     E
All rise
G    Dsus2
I see the love in your eyes

A             E
If it's alright
G    Dsus2
Then I'll be your light

G
I gotta show you, man
G           E
The Meaning Of Soul
G               E
I'm taking on love tonight
