Up in the Sky

Hey you! Up in the sky Learning to fly Tell me how high Do you think you'll go Before you start falling Hey you! Up in a tree You wanna be me But that couldn't be Cos the people here they don't hear you calling How does it feel When you're inside me? Hey you! wearing the crown Making no sound I heard you feel down Well that's too bad Welcome to my world Hey you! Stealing the light I heard that the shine's Gone out of your life. Well that's just too bad Welcome to my world You'll need assistance with the things that you have never ever seen It's just a case of never breathing out Before you've breathed it in How does it feel When you're inside me? Hey you! Up in the sky Learning to fly Tell me how high Do you think you'll go Before you start falling Hey you! Up in a tree You wanna be me But that couldn't be Cos the people here they don't hear you calling How does it feel When you're inside me? You'll need assistance with the things that you have never ever seen It's just a case of never breathing out Before you've breathed it in How does it feel When you're inside me?
