

Won't Let You Down

Oasis

No I won't, let you down
Hate to say you're surrounded by clowns
Looks to me, they've had their day
Think it's time that you came out and played

What d'you say?
It's time that you came out and played
Won't you say?
It's time that you came out and played

Let's get out of our minds
Won't waste your time
Give it a try
Won't waste your time

No I won't, let you down
Hate to say you're surrounded by clowns
Looks to me, they've had their day
Think it's time that you came out and played

What d'you say?
It's time that you came out and played
What d'you say?
It's time that you came out and played

Let's get out of our minds
Don't waste your time
Give it a try
Open your mind

Won't let you down
Don't let me down
Won't let you down
Won't let you down
