

# Ballad of Obie Trice

Obie Trice

O, O, O, O, O  
I think this  
Obie Trice (7x)  
O, O, O, O

I'd like to reintroduce myself, haha  
If you don't know by now. It's Obie Trice man

I came from nothing solo, straight outta the dumpster hobo  
Made up my monster, I was cultivatngly slanging that cocoa  
Hated the po po, locally known as abominable snow-o  
Later the pig fo' rated the home where I made the dough grow  
So on and so fo', the story of us urban negros  
Created as equals we wouldn't have to be so eager to mistreat you  
We as a people heated in evenings doing these evils  
Gotta eat you, be cool, got a kid to feed that'll reach you  
Or did it see thru? Or do I just speak thru the EQ just to say I got a hot s  
equel  
When niggaz on the block gotta eat, gotta cop, gotta cot when they caught by  
the cops  
Young Tupac's, laid in the box or they age in a cell blocks, fade away  
Brick walls, steel gates, can't wait for the day to be free, that's why I'm

Seen it, I done ate it, I done shit it  
Slept it, lived it, now I spit it  
Shady

Working that house off an no-doze, got an ounce to roll on  
Trying to get rid of the pounds, I gotta whip the bounce, I gotta put that c  
hrome on  
Same old song, young nigga thats trying to get some where I come from  
Funds, need 'em in abundance, whole bunch, only way a city boy function  
In conjunction with selling this substance  
Chips stay up, fuck it, glucks keep coming, take another pie out the oven  
I'ma be hugging these corners till these corners corner me  
But currently, I'm calculating this currency, urgency  
Gotta earn a G, uphearnestly, up early when the birds'll sing  
It's an emergency, never did occur to me, that the first and the third'll be  
Such a thirst for me, life almost took a turn for the worst for me took to s  
ee  
I finally had a purpose on Earth's surface the seed that was birthing me  
Gotta do a little soul searching and myself personally  
And to think all Em had to hear is one verse from me  
To confirm and unblur my dreams  
Best believe since burst on the scene, I'ma be here certainly  
With no uncertainties, yes indeed, I'ma get this cheese and that's why he's

That's why I'm  
That's what made me  
Haha  
That's why I'm  
Young black man in America  
Get up and get yours nigga  
I know you struggling man, I been there  
I see you  
Get up and get yours nigga  
Ain't no looking back now
