Obie Trice

Don't come down things will always work out  
Don't come down things will always work out

You would cuss, fuss till your blood pressure went up, then give up and slouch on the couch and drink ya liqor (fuck you dog)  
A hard headed nigga I was quick temper short attention span not attending class (no) what a dummy  
I would run over you honey  
You confront me and say Obie you no longer have a mommy  
Don't use my phone don't even eat my food  
Matter a fact, Dont speak  
It was just me and you in that house with that mouse and them traps and they gat, waitin on the day when you gon pull the trigger back

Don't come down things will always work out (Im sorry)  
Don't come down things will always work out (I messed up)

The locks changed and the nights got colder  
Im slinging bolders lookin like the bolda tolka  
Fuck it im the osta  
Im down for mounds ride by my corner  
Like Im not gone cry (no)  
Not reek the pain of watchin my youngest man (no no no)  
On the corners slangin cane  
Im callin the cops

Don't come down things will always work out (Im sorry)  
Don't come down things will always work out (I messed up)  
Don't come down things will always work out (Did wrong)  
So when you find yourself in peices

Ma even though I left the house alone  
I was seventeen years old on my own using these streets as my home (yea)  
Theres no reason to prolong this beef (yea i love you)  
Ms. Eleanor Trice I place no one above you  
You the reason when I hustled I knew the stack  
The reason when I opened up t mics i knew to rip (rip dat)  
The ethnics you instilled on this hectic young brother  
Rubbed off after all  
Now look at ya boy (Look)

When they ask about me now you aint gon just put ya head down ma  
Straighten up ma you can smile now, proud  
Everythings kosher with the boshterous oysta  
Lets get closer  
The regrets never opposed us

Don't come down things will always work out (Im sorry)  
Don't come down things will always work out (I messed up)  
Don't come down things will always work out (Did wrong)
