# The Wrong Time

**Obituary**

Blood red, eastern pearl
Perish to the ground
Commith living hell
Witness life

The right mindset
The wrong time
The right mindset

Cell block
Third world
Panic street
Reign

The right mindset
The wrong time
The right mindset

Blood red, rivers flow
Flooded with the dead
Wartime fueling hate
Ending life

Pentagon
Right of dead
Resist my hand
Reign

The right mindset
The wrong time
The right mindset

Cell block
Third world
Panic street
Reign

The right mindset
The wrong time
The right mindset

The right mindset
