

Weaponize the Hate

Obituary

Tell me what you need, I see, believe
Tell me what you need, I see
Tell me what you feel, unseal the deal
Tell me what you feel, reveal

Metastasize, in blood

Tell me what you need, I see, believe
Tell me what you need, I see
Tell me what to feel, reveal the deal
Tell me what to feel, reveal

Metastasize, in blood
We'll visualize, the hate

Tell me what you feel, unseal the deal
Tell me what you feel, reveal
Tell me what you see, believe in me
Tell me what you see, believe

Metastasize, in blood
We'll visualize, the hate

Metastasize, in blood
We'll weaponize, the hate

Tell me what you see, I need believe
Tell me what you need, I see

Metastasize, in blood
We'll weaponize, the hate
