

Happy Sad

Ocean Alley

Well I'm happy, but I'm also sad
'Cause I liked her smile, but the sex was bad
She said can I ask a favor?
I said I hope it's nothing major
'Cause I got things on
It's where it all went wrong

And who knows
Who knows

Well it could have been good
Well it could have been great
Well it could have been good
Everybody needs someone to hate
Could have been good
Well it could have been great
Well it could have been good
But everybody

Well I speak in riddles, and she speaks in tongue
Playing a fool, 'cause I'm acting dumb
Situations kinda heavy
Sign me up onto the leavy
Shes not the one
Did it all for fun

And who knows
Who knows

Well it could have been good
Well it could have been great
Well it could have been good
Everybody needs someone to hate
Could have been good
Well it could have been great
Well it could have been good
But everybody

'Cause it could have been good
Well it could have been great
Well it could have been good
Well it could have been great
Well it could have been good
Well it could have been great
Well it could have been good
But it could have been great

Well I say everybody needs someone to hate
'Cause I said everybody needs someone to hate
Everybody, I said everybody needs someone to, someone to hate
Needs someone to hate
