

Knees

Ocean Alley

Day dreamer
Walking through the clouds it's a screamer
And falling from the sky there's lots of streamers
It's time to grow up and be a leader, leader

Were do we we go, were do we go from here
Were do we go, were do we go from here

Cause I've been on my knees again
Calling out, calling out, calling out
Cause I've been on my knees again
Calling out, calling out, calling out

Cause I'm only a man
And I think I need some time to breath
But I've done all I can
And I'm hoping one day you'll see

Cause I've been on my knees again
Well I've been on my knees
Well I've been on my knees again
Well I've been on my knees

Day dreamer
Walking through the clouds it's a screamer
And falling from the sky there's lots of streamers
It's time to grow up and be a leader, leader

Were do we we go, were do we go from here
Were do we go, were do we go from here

Cause I've been on my knees again
Calling out, calling out, calling out
Cause I've been on my knees again
Calling out, calling out, calling out

Cause I've been on my knees again
Well I've been on my knees
Well I've been on my knees again
Well I've been on my knees

Well I've been on my knees again
Well I've been on my knees
Well I've been on my knees again
Well I've been on my knees

Well I've been on my knees again
Well I've been on my knees
