

# Paradise A Burn

Ocean Alley

Paradise a burn  
Well if it burnt up  
Where everywhere we turn  
We make a fire turn up  
You have to keep an eye out  
We have to make a runner

Paradise a burn, paradise a burn  
Paradise a burn  
If it burn up  
Where everywhere we turn  
We'll make a fire turn up  
You have to keep an eye out  
You have to make a runner  
Paradise a burn, paradise a burn, burn

Chaaa  
You bring terror  
Chaaa  
You bring red  
Chaaa  
You bring terror  
Chaaa

Paradise a burn (yeah it's burnin' up)  
If it burn up  
Where everywhere we turn  
We'll make the fire turn up  
You have to keep an eye out  
You have to make a runner  
Paradise a burn, paradise a burn  
We don't have to form a homeland  
Now we just show up  
Well everything's a man  
We don't have to watch it grow up  
We have to keep an eye out  
We have to make a runner  
Paradise a burn, paradise a burn, burn

Chaaa  
You bring terror  
Chaaa  
You bring red  
Chaaa  
You bring terror  
Chaaaaaaa
