

Stripes In My Mind

Ocean Alley

Well pick yourself up before you're gone
Pick yourself up before it's too long
Well I said pick yourself up
Well pick yourself up before
Before you're gone
Before it's too long

And I got stripes all in a line
Stripes all in my mind
Sometimes I wonder why
Why we got to die
Stripes all in my mind
Stripes all in a line
Sometimes I wonder why
Why we got to

Die
Oh die
Oh die
Oh die

Well pick yourself up before you're gone
Pick yourself up before it's too long
Well I said pick yourself up
Well pick yourself up before
Before you're gone
Before it's too long

And I got stripes all in a line
Stripes all in my mind
Sometimes I wonder why
Why we got to die
Stripes all in my mind
Stripes all in a line
Sometimes I wonder why
Why we got to

Die
Oh die
Oh die
Oh die

Die
Oh die
Oh die
Oh die
Oh die
Oh die
Oh die
Oh die
