

## Oh Collector

### Ocean Colour Scene

Oh collector I'm so sorry  
You had the notion that I was rolling  
In the money no I'm sorry  
But I'll pay you  
No Worry

Let's Sing Softly  
Let's Sing Softly  
Oh so softly  
Not so heavy

I've been heavy with my fortune  
Like a crystal and a hammer  
I'm so sorry Oh collector  
I'm away now in a hurry

Let's Sing Softly  
Let's Sing Softly  
Oh so softly  
Not so heavy

Get up all you fighters  
Don't you lie here now  
Oh collector you had it coming  
It was that funny we were rolling  
Oh collector we're so sorry  
And we'll pay you  
No Worry

(3x):  
Let's Sing Softly  
Let's Sing Softly  
Oh so softly  
Not so heavy
