

Wah Wah

Ocean Colour Scene

Wah wah
You've given me a
Wah wah
And I'm thinking of you
And all the things that we used to do
Wah wah, wah wah
Wah wah
You made me such a big star
Being there at the right time
Cheaper than a dime
Wah wah
You've given me your
Wah wah, wah wah
Oh, you don't only see me crying
Baby, baby
You don't only hear me sighing
Oh no
Wah wah
I don't need another wah wah
And I know how sweet life can be
If I keep myself free
Wah wah
I don't need no
Wah wah
