

Hypnotized, that's no way to behave  
I thought you'd remember my name as the seasons went and came  
So, uninspired by these growing pains  
I thought it was all too much  
I thought I'd had enough  
So please just stay (away)  
But as I crossed the street the other day  
I was reminded of the times that we shared by the bay  
Just know that it will all be okay  
And if you want to see some change you've got to be that change
