

Freaks

Ocean Grove

The keys please keep them safe, do you know the ones I mean?
The evening man leans on the tallest torch

My eyes don't move with my head
My eyes don't move with my head

But I'm no freak baby, freak baby
Coz I know what that means

But I'm no freak baby, freak baby
Coz I know what that means

Yeah, I'm no freak
Well, I'm no freak

The fear won't keep me safe, do you know the place I mean?
They're speaking, sadly I can't hear their call

My eyes don't move with my head
My eyes don't move with my head

My head
