

# LAST DANCE

Ocean Grove

Tonight

I step into this feeling, I'm alive  
Golden eyes, descending from a high  
'Cause there is only one thing on your mind, tonight

Hold that feeling now

Maybe we can dance together

Can you see the fire lighting up the way?

Breathing in and out, you start to sway  
Standing here, I'm calling out your name  
But I know, I know, I know I won't let you go

Under the weight of the sinking sun

In a moment we had dreamt would never come  
Another life, the passing time  
Slows down and hits you softly

Hold that feeling now

Maybe we can dance together

Can you see the fire lighting up the way?

Breathing in and out, you start to sway  
Standing here, I'm calling out your name  
But I know, I know, I know I won't let you go

Can you see the fire lighting up the way?

Breathing in and out, you start to sway  
Standing here, I'm calling out your name  
But I know, I know, I know I won't let you go
