

Never The One

Ocean Sleeper

(Breathe again)
(Breathe)

Been digging a hole beneath my skin
Been playing a game that I can't win
Don't wake me up
Is that good enough?

Been digging a hole beneath my skin
Hoping that I won't let you in
Don't wake me up
Is that good enough?

'Cause I always break what I should've loved
And I owe it all to us
Oh-oh-oh
Is that good enough? (Breathe again)
Why do I always break what I should've loved?
And I owe it all to us
Oh-oh-oh (Breathe again)
Is that good enough? (Breathe again)

(Breathe again)
(Breathe)

Been digging a hole beneath my skin
Stuck in the lies you made me live
Don't wake me up (Don't wake me)
Is that good enough? (Is that good enough?)

Been adding up all the lies lately
Been putting off cutting ties they say
It's not enough to know that you can break me
It's not enough, not enough

'Cause I always break what I should've loved
And I owe it all to us
Oh-oh-oh
Is that good enough? (Breathe again)
Why do I always break what I should've loved?
And I owe it all to us
Oh-oh-oh (Breathe again)
Is that good enough? (Breathe again)

Never enough for you to love
Never the one you needed

Bled my love to death
We drown in loneliness

Never enough for you to love
Never the one you needed
Never enough for you to love
Never the one you needed

Will I fail like the trust
This hope I poisoned with us

Hope decayed like your love
Fall in, fall out again

Will I fade in the dust
This love was drowning in us
Breath in with frail lungs
Fall in, fall out again

'Cause I always break what I should've loved
And I owe it all to us
Oh-oh-oh
Is that good enough? (Breathe again)
Why do I always break what I should've loved?
And I owe it all to us
Oh-oh-oh (Breathe again)
Is that good enough? (Breathe again)

Never enough for you to love
Never the one you needed
Never enough for you to love
Never the one you needed

Never enough for you to love
Never the one you needed
