

Actually Hard

Ocean Wisdom

Ay I dunno if I'm just gassed or crazy of
If I'm the best in the universe man I just had to let u know that
An if my little brother need a hundred he can hold that
I had a couple runners in the summer at my old gaff
An by the winter time I had a 100 in a whole stack
A money man I generate a hundred of a slow track
I had her at the gaff she tryna find out where the coke at
She a hoe ak I wouldn't bo cat
I didn't even let her suck it no cap
U ever done a slow pat
That's a pat down gimmie that
Lemmie control that
Ur not a badboy or that bold ak u know that
I'm black ash u can't toke that or try smoke that u won't hack that lemmie r
eload that it
Wide awake u ain't ever done a whole nap u dreaming u ain't scheming a nigga
know that
Or ran true a one yard looking for a whole pack u wont back nuttin ur a puss
y wid a phone ak

Meanwhile this actually hard
True I can't see anybody matching me darg
When I pass tru erybody chat to me ca
I'm the one wida tru knack for the bars
Facts
Can't no rat be my spar
Are u outchea yeh
Ra that's cap to me ca
No ur not built like that
U ain't real like
U ain't trill like I naturally are

Musta been the Valium or MDMA I had an epiphany bout it the other day
He really sniffin' his life away while I live in a militant way
Living like I'm training in MMA
I gotta pick up a mike today it's not the only way I get payed
I do it different than ur lil brigade
Ain't nobody did it the same
Killin' it since narstie uncle pain
I tell a lickle man to stay in their lane
U can't fathom the game
U like that
I won't change
Don't stop sayin' my name
U like that
The whole way
Ruin ur day playin' my games
Timelapse
I won't change
Still the same as back in the day
The hi nhat
The 08
Keep me stuck in my ways

I eat of a rap
Greet up a yat
Eat upper lap

Jeet up her snatch
Street or the ring
Beat up a prat
Lock up a limb
He gonna tap
I'm gonna keep holding it tho my name ain't Khabib brother man
He had a nap
Keep huggin' that kneck till he go green blue an black oh lord

Frisco actually hard
Actually darg
Mind how u chat to the boss
Chat to me
Tell a nigga get back to me darg
If it's that then it's that no mask
I'm the last of a dying breed try me
Ain't gonna pan out
Them man are nervous when I bring gang out
Shots rang out
One of your dargs bleeding tell a season
An I ain't even bought cam out
Oh god I'm a flow god hold on if I tump man that's a nose job hold on
Any riddim dat I put a flow on
There's nobody I ever told on
Factual
Kill for my bro like grettle did hansel
How many chances I gave them
Ample
Could have been my darg from you violate cancelled
Grab a grip on the handle I'm tramplng road again
I'm outside again I live for this
So everyting live again it's hype again I jump on a flight again
So fuck you and your fans
You and all five of dem
Big 45 again they clock me so they know what time it is I'm nice with it
Fucking up grime again
Capital F the R the I again the S again
Ard
