

HEADLOCK

Ocean Wisdom

Headlock, time out
That's old school, we ride out
Recon, recon
Rolex, mine now
Uh huh, oh wow
That feel good, girl slow down
Wheel up, wheel up
My show, sold out
Headlock, time out
That's old school, we ride out
Recon, recon
Rolex, mine now
Uh huh, oh wow
That feel good, girl slow down
Wheel up, wheel up
My show, sold out

Roll round their block
Headlock, headshot
Guess what? They're not
'Bout that, swear don
Man got, bare lost
Bare cross, F off
Ca I'll slap man up, if he test man
And I'll, wrap man up until the head bop
No boppin' to music, properly lose it
Properly movin' rob and abuse him
Coppin' a few tings off of the music
Don't make me do it, you're on a cute ting
Man disagrees
Out for the money like man like P
Lickle man freeze
Ease up wid your recky talk about man like me
I done a lot for the scene
You done squat for the scene
Except squat on the peen of the man that are bothering me
I don't rates them losers
Done nowt for their fam, done nowt for their team
Except scrounge and use them
How you 32 getting picked up by your parents for a food
Taking your mum to the traphouse trying to tell her it's stood
You're a joke man
And if I didn't know better I'd poke man
I stay focused, flex on a broke man
Just know when I choke man it's more than a

Wheel up, wheel up
My show, sold out
Headlock, time out
That's old school, we ride out
Hold up, by jove
Diamond, ice cold
My foes, they froze
When I, stride over
Fuck's sake, man I know
You don't ride, you lay low
Ca I'll wrap man up if he test man
And I'll smack them up if their brehs show
Them man are cattin' for packs I must indulge them
Them man are chattin' their chat but I don't know them
If man are doubtin' the plan man, afi show them
And if I grapple a man man afi choke him
You're bad to the bone I'm just Ocean
My wave has a lovable, but violent motion
I came with a troublesome yute wired and broken
He might push suddin' in you if you provoke him
