

ISN'T IT?

Ocean Wisdom

Woah
Yeah

It's amazing, it's a lifelong vacation
It's a dangerous vocation
It's frustratin' how that witness gave a statement, isn't it?
Isn't it, isn't it
Isn't it, isn't it
Isn't it, isn't it (Brrr)

Okay, I run up on a nigga with a feelin' to obliterate a motherfucker
Hook the other way before I upper cut him
And I bet that any other likkle ragamuffins
Stuntin' tryna be the badder one will end up prolly duckin' suttin'
Woosh, over your head like hooded linen
I ain't gotta be that good at singin'
Don't hang about, just fuckin' ping him
What mana got the plan I got the anacoda
Ram it down esophagus
She strugglin' to handle
Got her mandible expanding on her
Mandem tryna clamber on her
I ain't gotta worry ca she wanna man that dangle on her
Woosh, over your head like drillin' fillings
I ain't gotta be that good at sinnin'
Why's he think I wouldn't chin him
You're chillin' with the realest and the trillest
I'm the illest in the village
I'm efficient with a lyric
If I bill it, when he bill guarantee he feelin' timid
If a nigga didn't feel it
Guarantee a nigga hear it (love)
Over your head like chillin' pillin'
I ain't gotta be that good at winnin'
This flow got a man livin' different

It's amazing, it's a lifelong vacation
It's a dangerous vocation
It's frustratin' how that witness gave a statement, isn't it?
Isn't it, isn't it
Isn't it, isn't it
Isn't it, isn't it

It's amazing, it's a lifelong vacation
On my whole life duration
Boy ain't never made no statement
Fuck the D.A, fuck the jury
Fuck the whole police station
You would kill us so my enemies don't post no location

Yeah, 24/7, [?]
My youngin's are ready to slap
Gotta play with the strap
[?] motherfuckin' missiles [?] ready to die
Bitch, I'm the realest, the trillest
My momma say I'm the most lyrical nigga alive
I used to play with the crack and the bitches

Over your head now, but it don't miss
For the stove-top, where the frost sit
But the whole thing, did it raw, shit
Back in '06, 24 brick
Had a whole bitch, with a nose [?]
Give a whole trip, [?]
This foreign whip, you can walk, bitch
I'm gone

It's amazing, it's a lifelong vacation
On my whole life duration
Boy ain't never made no statement
Fuck the D.A, fuck the jury
Fuck the whole police station
You would kill us so my enemies don't post no location, yeah

It's amazing, it's a lifelong vacation
It's a dangerous vocation
It's frustratin' how that witness gave a statement, isn't it?
Isn't it, isn't it
Isn't it, isn't it
Isn't it, isn't it
