

Less Is More

Ocean Wisdom

Yo, they kept telling me that less is more
But more is more
And more is more, is more is more
I need more than more
Like, 'Oh my lordy, lordy Lord! '
I need smorgasbords
I'm sure I'm sure, I'm sure I'm sure
I need more than more
Wizzy need more than more
Less is more

But more is more
And more is more, is more is more
I need more than more
Like, 'Oh my lordy, lordy Lord! '
I need smorgasbords
I'm sure I'm sure, I'm sure I'm sure
I need more than more
Wizzy need more than more, than more than more

Messing with the motions
Pushing bruddas to the upper echelon

And that's real
Love don't pay for baby's next meal
Mix up love with the way the sex feel
Twist up buds, and take the X pill

2018 plate straight out the dealership
Less is more

That means the sky is the limit, kid (What?)
You ain't never did what Billy did (Nah!)
Why you think that call it a green room? (Why's that?)
We was in the backstage billing it (Ok!)
Brimstone, I'm one in a billion
Feeling about as high as the building is (Aaaah!)
Ain't no point pleading my innocence
All of you see me
I've been out here killing this!

"Please, Sir, I want some more."
"What? You want some more?"
"Please, Sir, I want some more."
"What?!"
"I want some..."
"More?"
