

# Midnight

## Ocean Wisdom

You don't want see me when it's midnight  
Accelerate through a red light  
Run  
Man know how it gets like  
Man see me an jet like vroom  
Come follow me  
Come follow me  
Come follow me on the ascent I'm  
Gone  
Plug holla me he got a lotta weed  
Blow me a tree an I vent like  
Hmmm

You don't want see me when it's midnight  
Accelerate through a red light  
Run  
Man know how it gets like  
Man see me an jet like vroom  
Come follow me  
Come follow me  
Come follow me on the ascent I'm  
Gone  
Plug holla me he got a lotta weed  
Blow me a tree an I vent like  
Hmmm

I'm wid blam an I'm blurting out  
Insults for a certy clown  
Ur done we can't work this out  
Best run if I'm lurking round  
Come follow me come follow me down  
Ur a snake  
So put ur belly on the ground  
Big weight I can take it from the ground up  
He got lost then found  
Who found him?  
Not me  
Baseball bat give him  
Knock knee  
8 ball packs wid him  
Got teefed  
Now you got beef an I got broccoli  
I was in brockley  
Wid Novelist  
So I rock navy  
When you do things you have to do em properly  
Never let a man get away scott free

I been on my grind  
Last month made a hundred grand  
But this week made a 105  
I can't beef them boy they some tramps  
I got big business on my mind  
He said 30 grand for the show  
Short notice I had to decline  
But they wan see wiz by midnight  
Turn a shit show to a big night

In the crowd mosh pit not a fist fight  
Respect from the gs ca I rid right  
Flow air tight seal on lid might  
Pop off when I drop knowledge an ur chin might spin  
Horrid from the force of the insight  
You don't want ur jaw kickin' it right?

You don't want see me when it's midnight  
Accelerate through a red light  
Run  
Man know how it gets like  
Man see me an jet like vroom  
Come follow me  
Come follow me  
Come follow me on the ascent I'm  
Gone  
Plug holla me he got a lotta weed  
Blow me a tree an I vent like  
Hmmm

You don't want see me when it's midnight  
Accelerate through a red light  
Run  
Man know how it gets like  
Man see me an jet like vroom  
Come follow me  
Come follow me  
Come follow me on the ascent I'm  
Gone  
Plug holla me he got a lotta weed  
Blow me a tree an I vent like  
Hmmm

I'll crush your head underfoot  
That's understood  
Said ten but a hundreds good  
Ain't friends but cuz what's good  
Just do what I does not would  
From a ute man love my jugg  
Early when I understood  
It's not a joke ting an you better mind out  
Before you find out you better love them books  
A lot of man are done for good  
A lot of man are dumb for good  
Cords been cut for good  
If you don't wanna get something took  
Buck up your ideas don't run  
I'm big novelist I'm big in this ting  
When I feel like fam I'll have fun  
Needs time to think don't rush  
Don't really know much bout NOV  
Young wid a slingshot sleep one  
He's cold an the flows a peak one  
Excited not by much  
Can't really care less what everyone thinks  
It's in when it all looks nuts  
Original still gonna see funds  
Original still gonna  
The real wanna  
Don't talk when you know that you don't wanna  
Pop your shell don't burst your collar  
And if you wanna be real cuz holla  
I'm not a fallara fam I don't follow

Deal wid a man wid honour  
You don't wanna know horror  
So don't act like you wanna be a goner

You don't want see me when it's midnight  
Accelerate through a red light  
Run  
Man know how it gets like  
Man see me an jet like vroom  
Come follow me  
Come follow me  
Come follow me on the ascent I'm  
Gone  
Plug holla me he got a lotta weed  
Blow me a tree an I vent like  
Hmmm

You don't want see me when it's midnight  
Accelerate through a red light  
Run  
Man know how it gets like  
Man see me an jet like vroom  
Come follow me  
Come follow me  
Come follow me on the ascent I'm  
Gone  
Plug holla me he got a lotta weed  
Blow me a tree an I vent like  
Hmmm
