Ocean Wisdom

Yeah yeah

What's a debt to a baller, what's a baller to a vet

Ey manna a got, and I got, and I got, and I got

And you ain't got, none of that, ay run the track, now smash it up

Ay come on then, come on then, catch it up

Quick sum, manna for sutting and a manna want

How I gotta do pets with the pinnacle view

How I got a new set up, I put a tin up in my tooth

Put a nigga in a ditch, put a nigga on the [?]
