

## Tyler Durden (Interlude)

Ocean Wisdom

Lose myself I'm Tyler Durden  
Find myself I'm Tyler Durden  
Start my club I'm Tyler Durden  
Fight a thug I'm Tyler Durden  
Light and dark I'm Tyler Durden  
Right in half I'm Tyler Durden  
Cry and laugh I'm Tyler Durden  
Violent mask I'm tired of hurting

I'm hurting him I pour the powder burn his skin ur in the club  
Go earn a win don't care bout what ur surgeon think keep coming back  
And learning things its good for u its worth the sting  
I crushed his head all on the ground  
The cut severe the pool was grim  
I rushed in fear went out of town  
I'm tryna live not tryna drown  
But my mistake  
I cut his face in different places over the years being to brave  
I have to say I love the taste but not the case  
Go underground and gather round and sort it out wid ground an pound

Lose myself I'm Tyler Durden  
Find myself I'm Tyler Durden  
Start my club I'm Tyler Durden  
Fight a thug I'm Tyler Durden  
Light and dark I'm Tyler Durden  
Right in half I'm Tyler Durden  
Cry and laugh I'm Tyler Durden  
Violent mask I'm tired of hurting

I can cut him, I can cut him, I can cut him wid my knuckle  
Fuck the knife talk and the gun talk if you can't fight ur on fuck all  
Wrap my knuckle wid this belt I bet this belt will make him buckle  
Slap this melt an slap that melt I slapped a couple had to chuckle

Har har  
That's fucking funny  
You're fucking funny  
You're Jim Carrey  
Or Bugs Bunny  
I'm laughing my head off  
Then I'm cuttin' ur head off  
Clutch tuggy  
Ur not tuggy  
See how I just nearly just fucked up the bar then  
I'm fucking buzzin'  
I'm rushin' cuzzzy  
Who's cuzzzy  
I'm rushin' cuzzzy  
I'll take his money  
An f... his mumsie  
She tripped an fell on this d... she fucking clumsy  
Put a hole in her onesie  
So I ain't gotta see that fluffy tummy  
She got from farting out a one g  
Memba that one g from earlier  
He's my son I might name him sunny

From his nose was runny  
Blud I've had flows in flurrys  
Since the first mcflurry I been on splurting gully  
It's never been curtains for me  
Got bros that will hurt him for me  
An this soap ain't suddy
