

# Beg For Mercy

Oceans Divide

Hard to believe you were so deceiving  
Left for dead, I was barely breathing  
Blinded by all the hate inside of these memories  
God, it was tragedy

I want to watch you suffer  
Like you watched me burn

You'd better be crawlin'  
Show me that you really want it  
Spare me all your excuses  
Tell me that you're sorry and mean it  
Fall down to your knees  
And prove to me you're not the same  
Beg for mercy

Seeing you leave, you're so self defeating  
This knife in my back still keeps me bleeding  
Your wicked lies have been compromised  
If only you could see all that you took from me

I want to watch you suffer  
Like you watched me burn

You'd better be crawlin'  
Show me that you really want it  
Spare me all your excuses  
Tell me that you're sorry and mean it  
Fall down to your knees  
And prove to me you're not the same  
Beg for mercy

You'd better be crawlin'  
Show me that you really want it  
Spare me all your excuses  
Tell me that you're sorry and mean it  
Fall down to your knees  
And prove to me you're not the same  
Beg for mercy

(I want to watch you suffer)  
(Like you watched me burn)  
Beg For Mercy  
(I want to watch you suffer)  
(Like you watched me burn)
