Paralyzed

Oceans

All is covered
In white silence we fall
With our ice armored hearts

Why do I crave for the dark
With my ice armored heart
Why do I crave for the dark

I shiver in shadows
Since I am lost in the light
All is blooming in white but I
I am not to be seen

While I rip off my skin
Searching for the light within

I feel like
I waste your time
Why won't you let me in
I'm not yours
And you're not mine
The air is growing thin

Paralyzed
I seek your eyes
And all the while it feels just like
We're running out of time

Why do I crave for the dark
With my ice armored heart

Hold my hand all you want
Though you try you'll never understand
The formless terror in my mind
I have monsters in my head

They try to rip off my skin
To let the darkness in

I feel like
I waste your time
Why won't you let me in

I'm not yours
And you're not mine
The air is growing thin

Paralyzed
I seek your eyes
And all the while it feels just like
We're running out of time
What's yours, it can be mine

Let's kiss
The stars
You make me shiver
Your words are silent

Silent

You can't reach me here
Don't take it to heart
I'm sitting in my palace
And the walls are ever dark

I am blinded by the light
I am blinded by the light
