

# Polaris

Oceans

All I ever wanted  
Was for you to know  
That I care for you

Mistakes were made  
I always gave you second chances  
But will you

Where is my home?  
Inside I'm torn  
I'm lost inside a storm

I will reap  
What I saw inside you  
Can I find a home  
Lost inside a storm

Polaris  
Is what brings sailors home  
This is what I see  
When I look at you

I'm lost inside a storm

I will reap  
What I saw inside you  
Can I find a home  
Lost inside a storm

I will reap  
What I saw inside you  
I saw a storm

Who sows wind  
Will reap a storm  
Inside I'm torn  
I'm lost inside a storm  
Inside I'm torn  
I wanna be myself again  
Bring me home
