

Zero

Octavian

All the girls listen to DJ Lewis

Okay, uh huh, oh yeah, hey baby
Just look at us sleeze
Just look at us
Tryna guess my net worth
And that's zero
Zero zero zero zero zero zero zero
She said if you leave, me there, that is on you
Surrounded by some bad ones, but I want you
Watch the, new Ferrari move (hmm, uh yeah)
Right away uh she a move (hmm, hey)

Ain't no nigga that I trust, thinking oh he might gust
I take my guns to the bed, look keep that glizzy tucked
Boy them bitches want it bad, they slipped on mere nut
And I told you about my ex, you man vexed, she down to fuck
No way
My bitch is richer than you rappers are, don't have to pay
She in a big wheel wraith, and we pull up late
We in the Burj Khalifa, the other day
She fuck like Mia Khalifa

Okay, uh huh, oh yeah, hey baby
Just look at us sleeze (Just look at us)
Tryna guess my net worth
And that's zero
Zero zero zero zero zero zero zero
She said if you leave, me there, that is on you
Surrounded by some bad ones, but I want you
Watch the, new Ferrari move (hmm, uh yeah)
