

# LOONATIC

## ODD EYE CIRCLE

I gotta take you into our moonlight  
Before I let you inside of my heart  
(Oh-oh-oh-oh-oh-oh-oh-oh-oh)  
You make me feel so LOONATIC  
Looks like the night won't last much longer  
Give me your hand, don't let me down  
(Oh-oh-oh-oh-oh-oh-oh-oh-oh)  
Don't you run away now

I can see the shining moon above  
O-M-G, we're going around and round, don't fall  
P-R-E-T-E-N-D to be mad  
I don't really care now

Remember how we used to play  
I am not insane  
Dreaming of our own galaxies  
I don't really care now

Don't blame me  
We're getting closer  
Come, play in oceans of mind  
Stay there, don't let me go, oh  
I don't really care now

Looks like the stars won't shine much longer  
Give me your hand, we're running out of time  
(Oh-oh-oh-oh-oh-oh-oh-oh-oh)  
Aren't you excited now?

I can see the shining moon above  
O-M-G, stay round and round  
P-R-E-T-E-N-D to be mad  
I don't really care now

Remember how we used to play  
I am not insane  
Dreaming of our own galaxies  
I don't really care now

Don't blame me  
We're getting closer  
Come, play in oceans of mind  
Stay there, don't let me go, oh  
I don't really care now

I gotta take you into our moonlight  
Before I let you inside of my heart  
(Oh-oh-oh-oh-oh-oh-oh-oh)  
(Oh-oh-oh-oh-oh-oh-oh-oh)  
Sometimes, the stars shine brighter when the night is over  
I can take you to another world  
I don't really care now

Remember how we used to play  
I am not insane  
Dreaming in our own fantasies (Ooh, oh, oh, oh, oh)

I don't really care now

Don't blame me  
We're getting closer  
Come, play in oceans of mind  
Stay there, don't let me go, oh  
I don't really care now
