Can't take my eyes off you
You and my eclipse
I only see you in my eyes
Can't touch, you were dangerous
Ooh, boy
My heart as well
Keeps closing in on you

I wonder what love is
A to Z I still don't know
I just wanna fall for you
Yeah, yeah, yeah
My heart that wants to bother you forever

I like you, I'm cool (Cool!)
One minute, one second, all my thoughts are
Filled with you, (Baby!) baby, I'm full
More and more I get hot
More and more I can't stop
More and more I approach you
My heart beats, cool
What should I do, I'm coo-oo-oo-ool
My heart's like this

Woo-oo-oo-oooh, woo-oo-oo-oooh, woo-oo-oo-oooh
I want to confess first

Oh boy since the moment I open my eyes
The person that instantly comes to mind is you, my boy (Boy)
Since when did you enter my heart uh
Hey you
You got me going from cold to hot wow

I wonder what love is
A to Z I still don't really know
My heart only keeps getting closer to you
Yeah, yeah, yeah
My heart that wants to twinkle at you

I like you, I'm cool (Cool!)
One minute, one second, all my thoughts are
Filled with you (Baby!) baby, I'm full
More and more I get hot

Left in an endless place
Just the two of us, you and I
Memories that won't fade
Oh like last night I don't want to wake up
All night

My heart's cool like this (Cool!)
(Oh) It's just, it's just the place my heart goes to
I'm there where you are
More and more we get close
More and more beside me
More and more I approach you
My heart beats, cool
Could you cool me down, coo-oo-oo-ool
I'll go first
Woo-oo-oo-oooh, woo-oo-oo-oooh, woo-oo-oo-oooh
