

# All That It Takes

Odeal

Uh

You say it's summer (Uh)  
Make your mind up, you better take one or the other, girl  
Don't wanna be caught up  
Is you goin' or is you stayin'?  
Better be choosin' now before you lose it all  
Constantly, prepared my mind not to fall so steep  
Let my doubts break my fall, I'll land comfortably  
Wasted my time to find I was an option  
If I'm option, I guess I'm done, done

Figure it out

You're done and tryna find a way of gettin' out, I get it  
Uh, people change, you're done and tryna find a way of gettin' out, I get it  
Uh, when in doubt, my addiction to you always brought me back around  
I'm lookin' back at the logistics, it was never workin' out

Guess it's not that deep  
If that's all it takes, won't let it get to me  
(Yeah, yeah, yeah, yeah)  
Ooh, you got your hands 'round me, yeah  
But at the end of the day I'm walkin' out  
If it's not workin' out (Uh)

It could be that I was runnin' from the truth  
Sooner or later, I was bound to get caught  
Run down and get caught by you  
The way you did it, must admit, it was cold  
I'd be lyin' if I said I weren't pained up  
That was all because I was short sighted (Sighted)  
And didn't see it comin'

Figure it out

You're done and tryna find a way of gettin' out, I get it  
Uh, people change, you're done and tryna find a way of gettin' out, I get it  
Uh, when in doubt, my addiction to you always brought me back around  
Uh, I'm lookin' back at the logistics, it was never workin' out (Guess it's not that deep)

Guess it's not that deep (Oh, woah)  
If that's all it takes, won't let it get to me (To me, woah)  
(Woah, woah, ooh)  
Ooh, you got your hands 'round me, yeah (Hands 'round me)  
But at the end of the day I'm walkin' out  
If it's not workin' out

Over, over  
Over and done  
La-la-la-la, [?] in you  
I can't, I can't, I  
I can't stand on the surface  
[?] to light  
My [?] stayin' on the [?]
