Any money wey I get na flenjo  
If na Ghana where the party dey yenko (Yeah)  
You should be feeling yourself, mommy, oh (Be free)  
Put your dark shades on, no dey watch anybody (Body)  
Girl, just dey rock your body (Body)  
Girl, you're so fine

Got me on a wave  
This drink tonight got me thinking some crazy things, it's you (Oh)  
I wouldn't have it any other way  
So when I look in your eyes and I say these things  
Girl, it's true 'cause  
When I thinking about it, it's not your looks  
She like to tell me knowledge is power so she spend all her time in books  
She is what I think about when I'm down and me need inspiration  
You have a place in my conscience

You should be feeling yourself, girl, free yourself

What are you killing yourself for?  
Any money wey I get na flenjo  
If na Ghana where the party dey yenko (Yeah)  
You should be feeling yourself, mommy, oh (Be free)  
Put your dark shades on, no dey watch anybody (Body)  
Girl, just dey rock your body (Body)  
Girl, you're so fine

Sweet, sweet tings  
We'll keep 'em coming  
Girl, fly with me  
You deserve sweet, sweet tings  
Make you see, sweetie  
That you're fine with me  
(Ooh, walle, oh, ooh, walle, oh)

My Antiguan girl got no reason to work  
When you're out with O, you don't open your purse  
Oh, I, oh, I'm gon' spend tonight  
When you're cooling me down, you don't need to stress  
It's those sweet, sweet things I love (Love)  
That's why me always have one love for my island girl (Oh-ah-ah)  
Me love her like a bedroom bully  
She keep her secrets in the bedroom with me  
Girl, put your pride aside  
And don't watch anybody

You should be feeling yourself, girl, free yourself
