Composure 2

Odeal

That's why they call me the
Y
And this is for my ladies
Mmm, and my fellas too
Catch a vibe, yeah yeah yeah

Got her chillin' by my left hand side (Tonight)
Got her chillin' by my left hand side (Tonight)
Got her chillin' by my left hand side
I'm a sucker for love, sucker for love (Tonight)
Got her chillin' by my left hand side (Tonight)
Got her chillin' by my left hand side (Tonight)
Got her chillin' by my left hand side
I'm a sucker for love, sucker for love (That's right)

We stay lit, all the time
Playing games, on my mind
She hella nifty, roll my weed
Get a lighter, then we vibe

She feel a different kind of vibe when I come through
Many other girls but I want you
And many of them flirt but I'm on you
She thinks I only curve 'em 'cause I have to
Mmm, that is not the case
If I lose you, I lose my mind
Ain't ever seen no other female who pattern like you in my life
I ain't even touched her body
When I do, I'ma take my time
I'll explore her private island and unlock her deepest treasures inside
And when I do, I won't leave
I'll make it my home and leave my treasures inside, yeah yeah
Oh wow, oh wow

We stay lit, all the time
Playing games, on my mind
She hella nifty, roll my weed
Get a lighter, then we vibe
We stay lit, all the time
Playing games, on my mind
She hella nifty, roll my weed
Get a lighter, then we vibe

Got her chillin' by my left hand side
Got her chillin' by my left hand side
Got her chillin' by my left hand side
I'm a sucker for love, sucker for love
Got her chillin' by my left hand side
Got her chillin' by my left hand side
Got her chillin' by my left hand side
I'm a sucker for love, sucker for love
Got her chillin' by my left hand side
Got her chillin' by my left hand side
Got her chillin' by my left hand side
I'm a sucker for love, sucker for love

See, we ain't gotta make love

Here, yeah, tonight
Uh, no no no no
Baby, just hold me up, yeah
Baby, just holding on, yeah
We ain't gotta make love to make love, yeah
Baby, just holding on, yeah
We can make it happen
We can make it up, yeah
