Dango

Odeal

May God blind the evil eye that watches me
There's been times I've tried to run away
Love is fine, but freedom lies in honesty
So if I change my line, don't ask me why
Just know the reasons 'cause

When it comes to enjoyment, dem dey
All the gyal dem, dem dey
I've been down, down, where they at?
I cannot trust any man
When it comes to enjoyment, dem dey
Bottles poppin'? Dem dey
I've been down, down, where they at?
Nobody wan' suffer

Ayy, Mr. Dango (Dango, odango)
Send the alert-o (Lato, lato)
Bring my haters, dem frustration, and disgrace
In this life, you must do what you gaz' do
To increase the amount-o
Pray I keep the money comin' for goodness sake

I dey hustle, I dey hustle, I dey hustle
Wahalla for who no get double
Brain, sense
'Cause nyash, be problem
Baba God, provide gon' gon'
Make I laugh as the enemy cries gon', gon'
They don't know 'bout my life, na, na
Peace is a state of mind, na, na

When it comes to enjoyment, dem dey
All the gyal dem, dem dey
I've been down, down, where they at?
I cannot trust any man
When it comes to enjoyment, dem dey
Bottles poppin'? Dem dey
I've been down, down, where they at?
Nobody wan' suffer

Ayy, Mr. Dango (Dango, odango)
Send the alert-o (Lato, lato)
Bring my haters, dem frustration, and disgrace
In this life, you must do what you gaz' do
To increase the amount-o
Pray I keep the money comin' for goodness sake
