

Free Me

Odeal

Culture

Sleep deprived, and off-balance
Fell out of love [?]
Kisses and hugs [?]
Your bitterness, the reason I left
Thorns in my flesh (thorns in my flesh)
Feels like home (woah, woah, woah)
(Ah-ahh-ahh-ahh)

Mother Laz, since I left you
You follow my hand, with orisirisi
You give me reason, wey I go reason
Emi Makaveli (emi Makaveli o)

(You)

Need to free me sometimes, need peace of mind
Get out of my life
Need me sometimes, yeah

Uh, ki lo daale
Uh, bullet straight through my chest
Can you imagine?
That's how you live, maybe nothing left
On my, on my own (Uh)
Baby, it's time to let go, mmm
To let go of the picture, oh
Cause there's no us, if there's no trust
Girl I talk you don't listen, ooh
Girl, I'm done trying, if you're not trying
(Ah-ahh-ahh-ahh)

Mother Laz, since I left you
You follow my hand, with orisirisi
You give me reason, wey I go reason
Emi Makaveli (emi Makaveli o)

(You)

Need to free me sometimes, need peace of mind
Get out of my life
Need me sometimes, yeah
