

Kainji Dam

Odeal

Like amnesia o
The only thing I know
She say her name Halima
Her whine dey make me shiver
Hennessy bottle
E no dey ginger you
So what of
Argentina, Milan, or Indonesia

But if you tell a man, "Slow down," I'll proudly slow down
Love for you, e pass Kainji Dam
Slow down, I'll kindly go down
And everybody must know that I'd proudly do down
All for you, I'll go Kainji Dam
Follow, you drown
Owa-owa-owa-owah

Something tells me that you're bad for us
Heard you're unfaithful
Your character says it all
Something tells me that I'm out of luck
Don't mean I can't save you
Girl, I'm waiting on you

How fine girl, I find you
Heaven came when I looked at you
Hell bent, I said, "Who are you?"
Perfect as if (Hmm), I knew
Fine girl with the dumpa o
Stand as it shoots out
Natural, no be fuga o
Ready to slide for you

But if you tell a man, "Slow down," I'll proudly slow down
Love for you, e pass Kainji Dam
Slow down, I'll kindly go down
And everybody must know that I'd proudly do down
All for you, I'll go Kainji Dam
Follow, you drown
Owa-owa-owa-owah

Something tells me that you're bad for us
Heard you're unfaithful
Your character says it all
Something tells me that I'm out of luck
Don't mean I can't save you
Girl, I'm waiting on you
