

Monster Boys

Odeal

Big man not a baby una
Put you up in a position legs sturdy una
Lift you up off all your burdens
Tonight it's all over

We can make a movie
Scorsese una
On a level girl your face card crazy una
Make me never wanna leave
A bad taste in your mouth
No doubt

And they call me crazy in the mean time
Mind must ah and lost mine
Ain't letting the pages of our love fold up
I'm always on standby on standby

Used to be a PIMP
Now I SIMP
Over your beauty
On my medals rent-free

Whole leap ah trouble if a nigga wan try you I'm gangster
Bonnie I'll be your Clyde let's run to Casablanca
Baby you gotta show me that you're really down

Tell me is you're really down, my darling
Five-star skiller when you play with my
People asking questions like o are you sprung?
Particular like what like that's all

And they call me crazy in the mean time
Mind must ah and lost mine
Ain't letting the pages of our love Fold up
I'm always on standby on standby
