Anytime when I wan enjoy, na you
(I got SAI on the beat)
Anytime I want to laugh, na you
When I want shoko
You, anything I do, na you
Anytime when I wan enjoy, na you
Anytime I want to laugh, na you
When I want shoko
Oh, oh

When I had less than a dime, couldn't get your love
Couldn't get twenty minutes, girl, attention
Fifty minutes, now we on the phone for like fifty minutes
Girl, na you, had to mention it
It was you from the start, no pretending
If a man wan shoot, I go defend, uh-huh
You're the reason

I don't know what to do (Na you)
When you call my phone, girl, I know (Na you)
Girl, you stress me out, need to bill my zoot
I don't know what to do with you, no, no
I can't control, oh
