

Patience

Odeal

Plenty night solo
For you fit run collabo
For you enter deep and shallow
Your body be like better swallow

Where would I run to?
Wherever you go I follow
Your name be the name I call o
For love ou wey go solve my trouble

Baby
Patience and guidance
That's what I love
Can't make you wait

Girl you're patience
That's what I want
That's what you give
That what I love

Mi say Delilah
No be today I Dey eye your domot
No be today I Dey eye what you got
No be today I Dey find your quarter

Mi say Delilah
No be today I Dey eye your domot
No be today I Dey eye what you got
No be today I Dey find your quarter

Sunday night
Never felt so long
A vibes so strong
Danced in your room
And watched the stars
The night was ours

Baby
Patience and guidance
That's what I love
Can't make you wait

Girl you're patience
That's what you want
That's what you give
That what I love

Delilah
No be today I Dey eye your domot
No be today I Dey eye what you got
No be today I Dey find your quarter

Mi say Delilah
No be today I Dey eye your domot
No be today I Dey eye what you got
No be today I Dey find your quarter

Shake body eh (majo)
Shake body eh (majo)
