

Picture

Odeal

I guess it's not the same picture, the same picture, na naa
The same picture you painted for me from the start
I guess it's not the same picture the same picture, na naa
The same picture you painted for me from the start
From the, uh

Please, 'fore you entered my focus, was on myself, yeah, yeah
Ignorin' how I feel
And your calls too, I ain't answering them
And, no offense
Try hard not to fall in love
IPhone on "Do Not Disturb"
Not my fault, I hit the club
You do too much, so I pull away
Violent, you done smashed my car
999, they've called the cops
Why you so bipolar?
Girl, fucking talk 'cause you feel a way

I guess it's not the same picture, the same picture, na naa
The same picture you painted for me from the start
I guess it's not the same picture the same picture, na naa
The same picture you painted for me from the start
From the

I guess it's not the same picture the same picture
Guess I didn't align with your vision, no
For a while we were informed, oh no
Guess I didn't align with your vision
Listen, guess you had to make the decision to cut me off
Well then, cut me off
I don't need you or your problems
