

Soul Searching

Odeal

When you, oh
(Ayy, what you sayin', Q?)

When you wake up and you don't see the night
It means yuh rest good and your body needs sunshine, oh
She like it when I promise her the world, uh
Like it when I say and then do things
Diamonds, yeah, they pretty, but ain't pretty like I see yuh, nah, nah, oh
Ayy

You are the reason I can stand tall among men (Ooh, ooh)
The reason I cancel plans to hold your hand
I've seen many fruits but none have the vitamins like you, yeah, yeah
Girl, I've laced many shoes, but not a soul like you, no, no
Baby, I been soul searching

What makes you think you're special anyway?
What separates your beauty? Girl, I don't know
What makes you raise the temperature above average, baby?
And in bed, you're truly exceptional
Innocent, you come across, but so damn professional with it, uh, yeah
Fix your engine and close your bonnet
On my chin, I feel the fabrics of your morning bonnet
Confused like I have found a lost part of me
Girl, I'm fallin' for you, please don't make a fool out of me, no
No, oh, no
Baby, please don't go
I'm fallin'
For you bad and I can't lie you're
Gonna be the one to catch me
Need a new bag girl, I'll run you the amount
Oh, no, no, no

You are the reason I can stand tall among men (Ooh, ooh)
The reason I cancel plans to hold your hand
I've seen many fruits but none have the vitamins like you, yeah, yeah
Girl, I've laced many shoes, but not a soul like you, no, no
Baby, I been soul searching

This ain't no interlude
Guessin' games, waste of time, tell you I'm into you
Genuine when you whine, when you begin to groove
Rhythm always on time, like the Ashanti tune
Oh, oh, you know just what to do
Five-star step, girl, I wanna be in your shoes
Every time you pull a stunt, want to get in the booth and sing about you, ba
by (Oh-oh, oh)

This is for my, lai-, ehh
A bulletproof O, ah
Mr. Hits-No-Mrs
And yeah, yeah, yeah
It's O I, it's O I, it's O-
(Let's hear that back)
