

# Temptress

Odeal

Purple lights the lifestyle  
10 in a week that's 7 Gs beside ya  
For the price you do it all with no apologies  
That's what bothers me  
The fuck is your psychology  
And your innocence suddenly floating away

Cash on the bedroom floor  
Hands on the dresser  
It's more than sex when I'm loving you  
Keep it going 'til you're warm inside  
Your shelter in hopeless times

Even though it's hard sometimes  
I'm loving you  
When you don't love yourself it gets ugly baby  
Even though it's hard sometimes  
I'm loving you  
Friends told me to watch my back  
'Cause I'm one of many bodies

Even though it's hard sometimes  
I'm loving you  
You were robbed of your innocence bae  
Even though it's hurt sometimes  
I'm loving you  
It's your life  
It's your life

Temptress by night but you an angel by day  
Not here to judge ya baby that's okay  
Long as you know it's surely going to get  
Hard for me to stick around  
You be sitting in the same place make your  
Face change when we lovin'  
You say do it like you hate me  
Love the pain braids I'm pullin'  
And there's no getting rid of you  
Make it hard to not remember you  
Got me feeling like it's Thursday  
When you throw it back on me bae  
You making it so hard to complain

Cash on the bedroom floor  
Hands on the dresser  
It's more than sex when I'm loving you  
Keep it going 'til you're warm inside  
Your shelter in hopeless times

Even though it's hard sometimes  
I'm loving you  
When you don't love yourself it gets ugly bae  
Even though it's hard sometimes  
I'm loving you  
You were robbed of your innocence bae

Even though it's hard sometimes

I'm loving you  
It's your life  
It's your life  
Even though it's hard sometimes  
I'm loving you  
Friends told me to watch my back  
'Cause I'm one of many body
