

Twenny-Nine After Two

Odeal

Soon as we kissed, I knew that we was done for
You made it clap, I double back for the encore
Supposed to board a flight an hour later, uh
Right by the bed, Coca-Cola and aspirine
You better take that shit, girl, I ain't askin'
You love to drink [?] but you can't [?] it

Twenty-nine after two
Thirty-five minutes 'til the plane takes off and I'm still laid up wi
th you, ooh-ooh
It's twenty-nine after two
Still buttnaked, got your bags unpacked and your clothes across the r
oom, ooh-ooh

Even though we got somewhere to be
I realize what the problem is
[?] are wishin' they were me
[?] are wishin' they were me
One more night in Paris
Je ne serai nulle part ailleurs
It's no place that I'd rather be
There's no place that I'd rather be

Taxi still a mile away, time to spare and shit
Who better than you to share it with?
I pull your hair and shit and let you ride (Ride, oh-oh)
You are usually on yourself, for this dick
You turn to a killer's [?]
I'm a senseless nigga, risk never endin' with you, what's the time?

Twenty-nine after two
Thirty-five minutes 'til the plane takes off and I'm still laid up wi
th you, ooh-ooh
It's twenty-nine after two
Still buttnaked, got your bags unpacked and your clothes across the r
oom, ooh-ooh

(Oh, oh-oh, oh-oh, oh-oh)
Even though we got somewhere to be (Oh, oh-oh, oh-oh, oh-oh)
I realize what the problem is (Oh, oh-oh, oh-oh, oh-oh)
[?] are wishin' they were me (Oh, oh-oh, oh-oh, oh-oh)
[?] are wishin' they were me (Oh, oh-oh, oh-oh, oh-oh)
One more night in Paris (Oh, oh-oh, oh-oh, oh-oh)
Je ne serai nulle part ailleurs (Oh, oh-oh, oh-oh, oh-oh)
It's no place that I'd rather be (Oh, oh-oh, oh-oh, oh-oh)
There's no place that I'd rather be

Even though we got somewhere to be
I realize what the problem is
[?] are wishin' they were me
[?] are wishin' they were me
