

## You Or Me

Odeal

I know it's me that's offended you, girl, don't worry  
I know it's me that's offended you, girl, don't worry  
Baby, take my hand and come with me, girl, don't worry  
Baby, take my hand

Is it you or me?  
You're my majesty  
Uh, keep me company  
Will you marry me?  
Is it you or me? Yeah, yeah, yeah  
Give me clarity  
Uh, give me clarity, oh  
Know you're mad at me, oh (Mad at me, oh)

Drunk callin', yes, 'cause I'm mad  
Don't make me less of a man  
Right now, you are makin' me act up (Woah, oh, oh)  
Opposition, dem wan' make her frown  
God punish them man no go dull  
Gunshot for a man who try stop us

You know what you have, you know what you get  
Can really make a bodmon insane  
Girl, your body immense, girl, your body immense  
You know what you have, you know what you get  
Girl, you make a bodmon regret, arguments, no make sense  
Mm-hmm  
Girl, only you get attention, yeah  
There's nothing like no affection, yeah (Oh, oh, oh)  
'Cause only you can do the things for me that I can't do for me

Is it you or me? (Yeah, yeah, yeah)  
You're my majesty (Oh)  
Uh, keep me company  
Will you marry me?  
Is it you or me? (Yeah, yeah, yeah)  
Give me clarity (Oh)  
Uh, give me clarity, oh  
Know you're mad at me, oh (Mad at me, oh)

Drunk callin', yes, 'cause I'm mad  
Don't make me less of a man  
Right now, you are makin' me act up (Woah, oh, oh)  
Opposition, dem wan' make her frown  
God punish them man no go dull  
Gunshot for a man who try stop us

This ain't microwave love  
Fresh out the oven, way too hot to handle it  
Standoffish but I had to stand on it  
Search everywhere, long for it, and got it  
You are hard-headed and hard to handle  
Can't wear gloves when I love and handle (Mm)

And I won't let you to leave me alone, baby  
Alone, baby, and so I  
And this is for my, la-la-la

I need to be honest with you  
All of the time
