

In The Rain

ODESZA

When the rain
When the rain down
When the rain
When the rain I see
When the rain
When the rain down
When the rain
When the rain I see

I see

When the rain
When the rain down
When the rain
When the rain I see
When the rain
When the rain, rain down
When the rain
When the rain I see

Never run too close to me
Never will let you go
Never run too close to me
Never will let you go
Never run too close to me
Never will let you go
Never run too close to me
Never will let you go

I see
I see
I see
I see

When the rain
When the rain down
When the rain
When the rain I see
When the rain
When the rain down
When the rain
When the rain I see

When the rain
When the rain down
When the rain
When the rain I see
When the rain
When the rain- rain down
When the rain
When the rain I see

When the rain
When the rain down
When the rain
When the rain I see
When the rain

When the rain, rain down
When the rain
When the rain I see

Never run too close to me
Never will let you go
Never run too close to me
Never will let you go

When the rain
When the rain down
When the rain
When the rain I see
When the rain
When the rain, rain down
When the rain
When the rain I see

I see
I see

When the rain
When the rain down
When the rain
When the rain I see
When the rain
When the rain down
When the rain
When the rain I see
