

# To Be Yours

ODESZA

Heaven's in rainbows above parking lots  
Where I first laid eyes on you  
Why does it hurt so bad to be in love?  
Didn't know I'd find it so soon

I've known you so much longer  
And I've seen all of your patterns  
It hurts me when a shitty boy pulls you down  
I don't want to be the one  
To break up what you think is love  
But everything that goes around comes around

Oh, to be yours  
Would make a man out of me  
Oh, to be yours  
Would make me so happy

Ooh baby-baby-baby, yeah  
Ooh baby-baby-baby, yeah  
Oh, to be yours  
Ooh baby-baby-baby, yeah  
Ooh baby-baby-baby, yeah  
I'm crying

I say nothing, you give a monologue  
But I'll watch your pearly lips all day long  
We're oceans away, you're in outer space  
And I'm waiting down on Earth for you

I've known you so much longer  
And I've seen all of your patterns  
It hurts me when a shitty boy pulls you down  
I don't want to be the one  
To break up what you think is love  
But everything that goes around comes around

Oh, to be yours  
Would make a man out of me  
Oh, to be yours  
Would make me so happy

Ooh baby-baby-baby, yeah  
Oh, to be yours  
Ooh baby-baby-baby, yeah  
Ooh baby-baby-baby, yeah  
Oh, to be yours  
Ooh baby-baby-baby, yeah

I'm just about at the end of my rope  
But I can't stop trying  
I can't give up hope  
Oh baby, but I'll be here  
To caress and hold you dear  
Oh, to be yours  
But until that day, I'm crying  
Would make a man out of me

Baby-baby-baby  
Ooh baby-baby-baby, yeah  
Ooh baby-baby  
Ooh baby-baby-baby, yeah  
Ooh
