

# Without You

ODESZA

That, that, that, that grew up on someBODY  
That, that, that, that grew up on someBODY  
That, that, that, that grew up on someBODY  
That, that, that, that

Had me believing it was always something that I've done  
That I've done  
Had me believing it was always something that I've done  
That I've done  
Had me believing it was always something that I've done  
That I've done  
Had me believing it was always something that I've done  
That I've done

I don't even need your love  
I don't need that though  
I don't need that though  
I don't even need your love  
Gone instant now, instant now

Used, used

That, that, that, that grew up on someBODY  
That, that, that, that grew up on someBODY  
That, that, that, that grew up on someBODY  
That, that, that, that

I don't wanna live, I don't wanna live  
I don't wanna live, I don't wanna live  
I don't wanna live, I don't wanna live  
I don't wanna live, I don't wanna live
