

BE PERFECT

Odetari

Ooh-ooh, oh
Oh-oh, ooh
Oh-oh-oh-oh
Ooh-ooh-ooh, uh

I don't know, I don't know
I do a lot of dumb shit when I'm alone
I don't know, I don't know
I do a lot of dumb shit when I'm alone

I wasn't thinking with my brain, thinking with my dick
Everything done changed, and I'm tryna find a fix
I got alcohol and fame, that shit just don't mix
Feelin' like a slave, I'm stuck inside my skin
I got big booty bitches surrounded, they bouncin'
It's a real company always around me
Hands stickin' out of the water, I'm drownin'
Floatin' overrated, I'm wonderin' where the ground is

(Ground is, ground is, ground is, grou-ou-ound)
I don't know, I don't know where the ground is
(Ground is, ground is, ground is, ground is)
I don't know, I don't know

I don't know, I don't know
I do a lot of dumb shit when I'm alone
I don't know, I don't know
I do a lot of dumb shit when I'm alone
I don't know (I don't know), I don't know (I don't know)
I do a lot of dumb shit when I'm alone (Oh, I don't know)
I don't know (I don't know), I don't know (I don't know)
I do a lot of dumb shit when I'm alone (Oh, I don't know)

You're not allowed to blame me, I could really blame you
We don't wear the same shoes (I got some backroom)
I don't know what's worse, goin' on hell or bein' on earth
Seein' all your family hurt, that shit didn't mean the worth of
'Bout to change in person, they don't care if you be hurtin'
They just wanna see you out there, see you workin'
They don't wanna bring a disappointment, now work less
But I hit 'em, "Got it all, he's just perfect"
