

COLDEST WINTER

Odetari

('Tari, get over here)

Let's break up, get rid of the nonsense (Oh-oh-oh-oh)
Make up, the next day you're toxic (Oh-oh-oh-oh)
You know I'm way too accomplished (You, you, you-you-you)
Who you gon' follow the opp with? (You-you-you, you-you-you)

All of a sudden, it's close to the holidays
We wakin' up alone, it's winter (Win-win-win-win-winter)
All of a sudden, it's close to the holidays
We wakin' up alone, it's winter (Win-win-win-win-winter)

Delete the pictures off your phone
And don't hit me up no more
I promise this ain't what you want
Money can't fix you (Ah-ah-ah)
N-n-n-no, money can't fix you
