

(Nigga, where you Bekzmo?)
(1DAY)

Who just stole my flow from me-me-me-me-me-me-me-me?
Tryna take my old from me
Me-e-e, me-me-me-me (Woo-woo, ooh-ooh)
Hey, I'll make your life a living hell (Ooh-ooh, ah)

Save ya, save ya, save ya, save ya

It's just the beginning, you just found out?
I'ma sweep and they be sinnin', woah
But you think I'm kidding?
Bitch, go ahead and bow down
Better ask forgiveness, oh
Drown me out, put your fingers in your hair
And I'ma just keep gettin' louder
It's just no way around it, I'ma start a war
I'll start a riot 'til I get my flowers

Who just stole my flow from me-me-me-me-me-me-me-me?
Tryna take my old from me
Me-e-e, me-me-me-me (Woo-woo, ooh-ooh)
Hey, I'll make your life a living hell (Ooh-ooh, ah)

I'm out of spendin' things, I live in hell (Hell, hell)
Someone's comin', fill it in and out
Feelin' fine, twenty-
something (Oh), swerve it up like Drake (Drake, drake)
I can't really fuck with that gang, can't fuck with that cup
Like, we got it packed
I swing it around like Usain Bolt, I be the one with him on that track
(On that track)
Can't you see it great? I feel like I'm trapped (With whole lot of crack)
Huh, goin' too hard, might crash
Hatin' on touching some grass, lookin' what they do for the cash
Be right, they won't last, got a shame in my bag
Niggas, I'm gettin' it here when they mad (Mad, damn)
Swag, we tryna find God (Huh)
Hella bro, we slidin' body (Huh)
Hurricane, get slimed out (Huh)
I checked my blind spots, like, oh, my God
We got the sailor back in the lobby
Like, he got signed out (Huh)
All of you may be copies, clones

Who just stole my flow from me-me-me-me-me-me-me-me?
Tryna take my old from me
Me-e-e, me-me-me-me (Woo-woo, ooh-ooh)
Hey, I'll make your life a living hell (Ooh-ooh, ah)
